**Hi. Welcome (back) to Richmond**

Luke Van Gombos, WDCE General Manager

If this is your first time here you are probably still learning about UR's bajillion dollar assets. Allow me to introduce WDCE 90.1 FM, Richmond's student-run radio station and largest non-greek organization.

Celebrating its 25<sup>th</sup> birthday this year, WDCE prides itself on being Richmond's best source for up and coming underground music. With over 100 student DJs, WDCE provides a source of independent music of all genres to the campus and the community alike. The station also sponsors on-campus concerts with some of the best independent bands in

the country. Acts already confirmed for this semester include Pedro the Lion, The Mercury Program, and Zetamale.

We're currently looking for new DJs...no experience necessary. Before starting your own show, you'll get a chance to sit in as an intern on another show for a semester. If you're interested, send an email to [wdce@richmond.edu](mailto:wdce@richmond.edu), or just call xUR90 and make a request. Either way, be sure to keep your radio tuned to 90.1 FM.

WDCE will destroy your brain.
